A YEAR IN REVIEW

The theme of this year has been change! We have undergone a significant transformation within our board of directors, bidding farewell to many longstanding members and welcoming a new group of enthusiastic directors, including both familiar and fresh faces.

Internally, our focus has been on rebuilding the Friends' legacy. We conducted thorough reviews of our bylaws, policies, and branding, and we are eager to move forward. The Friends remains committed to fostering a welcoming and safe environment for all our directors and staff.

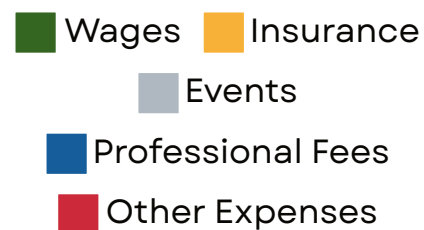

Throughout these transitions, the Friends has maintained its dedication to supporting the Reynolds Museum. In addition to employing the museum's educators and cashiers, we have funded entertainment at events such as Harvest Festival, Ride to Reynolds, and The Ultimate Car Show, and we continue to route money into museum marketing and restoration.

FINANCIALS

Our primary source of income is derived from our Service Agreement with the Ministry of Arts, Culture and Status of Women.

Similarly, the vast majority of our expenses are allocated to wages.
